### Human Multidrug resistance-associated protein 9 (ABCC12) ELISA Kit ASC-KTE60857

Artikelname	Human Multidrug resistance-associated protein 9 (ABCC12) ELISA Kit
Artikelnummer	ASC-KTE60857
Hersteller Artikelnummer	KTE60857
Alternativnummer	ASC-KTE60857-48, ASC-KTE60857-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human

Anwendungsbeschreibung

This Human Multidrug resistance-associated protein 9 (ABCC12) ELISA Kit employs a two-site sandwich ELISA to quantitate ABCC12 in samples. An antibody specific for ABCC12 has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any ABCC12 present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for ABCC12 is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of ABCC12 bound in the initial step. The color development is stopped and the intensity of the color is measured.
