Human ATP-citrate synthase (ACLY) ELISA Kit ASC-KTE60879

Artikelname	Human ATP-citrate synthase (ACLY) ELISA Kit
Artikelnummer	ASC-KTE60879
Hersteller Artikelnummer	KTE60879
Alternativnummer	ASC-KTE60879-48, ASC-KTE60879-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human
Produktbeschreibung	This Human ATP-citrate synthase (ACLY) ELISA Kit employs a two-site sandwich ELISA to quantitate ACLY....
Detektionsbereich	Please inquire

Proben	Cell culture supernatantsSerumPlasmaOther biological fluids

Anwendungsbeschreibung

This Human ATP-citrate synthase (ACLY) ELISA Kit employs a two-site sandwich ELISA to quantitate ACLY in samples. An antibody specific for ACLY has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any ACLY present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for ACLY is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of ACLY bound in the initial step. The color development is stopped and the intensity of the color is measured.
