### Human Probable peptidyl-tRNA hydrolase (PTRH1) ELISA Kit ASC-KTE61041

Artikelname	Human Probable peptidyl-tRNA hydrolase (PTRH1) ELISA Kit
Artikelnummer	ASC-KTE61041
Hersteller Artikelnummer	KTE61041
Alternativnummer	ASC-KTE61041-48, ASC-KTE61041-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human

Anwendungsbeschreibung

This Human Probable peptidyl-tRNA hydrolase (PTRH1) ELISA Kit employs a two-site sandwich ELISA to quantitate PTRH1 in samples. An antibody specific for PTRH1 has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any PTRH1 present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for PTRH1 is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of PTRH1 bound in the initial step. The color development is stopped and the intensity of the color is measured.
