Human Receptor-type tyrosine-protein phosphatase zeta (PTPRZ1) ELISA Kit ASC-KTE61043

Artikelname	Human Receptor-type tyrosine-protein phosphatase zeta (PTPRZ1) ELISA Kit
Artikelnummer	ASC-KTE61043
Hersteller Artikelnummer	KTE61043
Alternativnummer	ASC-KTE61043-48, ASC-KTE61043-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human

Proben	Cell culture supernatantsSerumPlasmaOther biological fluids

Anwendungsbeschreibung

This Human Receptor-type tyrosine-protein phosphatase zeta (PTPRZ1) ELISA Kit employs a two-site sandwich ELISA to quantitate PTPRZ1 in samples. An antibody specific for PTPRZ1 has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any PTPRZ1 present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for PTPRZ1 is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of PTPRZ1 bound in the initial step. The color development is stopped and the intensity of the color is measured.
