Human Parathyroid Hormone Related Protein (PTHrP) ELISA Kit ASC-KTE61063

Artikelname	Human Parathyroid Hormone Related Protein (PTHrP) ELISA Kit
Artikelnummer	ASC-KTE61063
Hersteller Artikelnummer	KTE61063
Alternativnummer	ASC-KTE61063-48, ASC-KTE61063-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human

Proben	Cell culture supernatantsSerumPlasmaOther biological fluids

Anwendungsbeschreibung

This Human Parathyroid Hormone Related Protein (PTHrP) ELISA Kit employs a two-site sandwich ELISA to quantitate PTHLH in samples. An antibody specific for PTHLH has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any PTHLH present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for PTHLH is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of PTHLH bound in the initial step. The color development is stopped and the intensity of the color is measured.
