## Product Datasheet

### Human Protein prune homolog (PRUNE) ELISA Kit ASC-KTE61098

Artikelname	Human Protein prune homolog (PRUNE) ELISA Kit
Artikelnummer	ASC-KTE61098
Hersteller Artikelnummer	KTE61098
Alternativnummer	ASC-KTE61098-48, ASC-KTE61098-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human

Anwendungsbeschreibung

This Human Protein prune homolog (PRUNE) ELISA Kit employs a two-site sandwich ELISA to quantitate PRUNE in samples. An antibody specific for PRUNE has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any PRUNE present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for PRUNE is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of PRUNE bound in the initial step. The color development is stopped and the intensity of the color is measured.
