Human Progranulin (PGRN) ELISA Kit ASC-KTE61164

Artikelname	Human Progranulin (PGRN) ELISA Kit
Artikelnummer	ASC-KTE61164
Hersteller Artikelnummer	KTE61164
Alternativnummer	ASC-KTE61164-48, ASC-KTE61164-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human

Anwendungsbeschreibung

This Human Progranulin (PGRN) ELISA Kit employs a two-site sandwich ELISA to quantitate PRGN in samples. An antibody specific for PRGN has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any PRGN present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for PRGN is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of PRGN bound in the initial step. The color development is stopped and the intensity of the color is measured.
