Human Group IIE secretory phospholipase A2 (PLA2G2E) ELISA Kit ASC-KTE61208

Artikelname	Human Group IIE secretory phospholipase A2 (PLA2G2E) ELISA Kit
Artikelnummer	ASC-KTE61208
Hersteller Artikelnummer	KTE61208
Alternativnummer	ASC-KTE61208-48, ASC-KTE61208-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human

Proben	Cell culture supernatantsSerumPlasmaOther biological fluids

Anwendungsbeschreibung

This Human Group IIE secretory phospholipase A2 (PLA2G2E) ELISA Kit employs a two-site sandwich ELISA to quantitate PLA2G2E in samples. An antibody specific for PLA2G2E has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any PLA2G2E present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for PLA2G2E is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of PLA2G2E bound in the initial step. The color development is stopped and the intensity of the color is measured.
