Human Platelet-derived growth factor receptor-like protein (PDGFRL) ELISA Kit ASC-KTE61267

Artikelname	Human Platelet-derived growth factor receptor-like protein (PDGFRL) ELISA Kit
Artikelnummer	ASC-KTE61267
Hersteller Artikelnummer	KTE61267
Alternativnummer	ASC-KTE61267-48, ASC-KTE61267-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human

Proben	Cell culture supernatantsSerumPlasmaOther biological fluids

Anwendungsbeschreibung

This Human Platelet-derived growth factor receptor-like protein (PDGFRL) ELISA Kit employs a two-site sandwich ELISA to quantitate PDGFRL in samples. An antibody specific for PDGFRL has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any PDGFRL present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for PDGFRL is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of PDGFRL bound in the initial step. The color development is stopped and the intensity of the color is measured.
