Human Myosin regulatory light chain 2, atrial isoform (MYL7) ELISA Kit ASC-KTE61438

Artikelname	Human Myosin regulatory light chain 2, atrial isoform (MYL7) ELISA Kit
Artikelnummer	ASC-KTE61438
Hersteller Artikelnummer	KTE61438
Alternativnummer	ASC-KTE61438-48, ASC-KTE61438-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human

Anwendungsbeschreibung

This Human Myosin regulatory light chain 2, atrial isoform (MYL7) ELISA Kit employs a two-site sandwich ELISA to quantitate MYL7 in samples. An antibody specific for MYL7 has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any MYL7 present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for MYL7 is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of MYL7 bound in the initial step. The color development is stopped and the intensity of the color is measured.
