### Human Microtubule-associated tumor suppressor 1 (MTUS1) ELISA Kit ASC-KTE61470

Artikelname	Human Microtubule-associated tumor suppressor 1 (MTUS1) ELISA Kit
Artikelnummer	ASC-KTE61470
Hersteller Artikelnummer	KTE61470
Alternativnummer	ASC-KTE61470-48, ASC-KTE61470-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human

Anwendungsbeschreibung

This Human Microtubule-associated tumor suppressor 1 (MTUS1) ELISA Kit employs a two-site sandwich ELISA to quantitate MTUS1 in samples. An antibody specific for MTUS1 has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any MTUS1 present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for MTUS1 is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of MTUS1 bound in the initial step. The color development is stopped and the intensity of the color is measured.
