Human Inositol oxygenase (MIOX) ELISA Kit ASC-KTE61609

Artikelname	Human Inositol oxygenase (MIOX) ELISA Kit
Artikelnummer	ASC-KTE61609
Hersteller Artikelnummer	KTE61609
Alternativnummer	ASC-KTE61609-48, ASC-KTE61609-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human
Produktbeschreibung	This Human Inositol oxygenase (MIOX) ELISA Kit employs a two-site sandwich ELISA to quantitate MIOX....
Detektionsbereich	Please inquire
Sensitivitaet	Please inquire
Tag	MIOX

UniProt	Q9UGB7
Proben	Cell culture supernatantsSerumPlasmaOther biological fluids

Anwendungsbeschreibung

This Human Inositol oxygenase (MIOX) ELISA Kit employs a two-site sandwich ELISA to quantitate MIOX in samples. An antibody specific for MIOX has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any MIOX present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for MIOX is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of MIOX bound in the initial step. The color development is stopped and the intensity of the color is measured.
