### Human Mediator of RNA polymerase II transcription subunit 13-like (MED13L) ELISA Kit ASC-KTE61668

Artikelname	Human Mediator of RNA polymerase II transcription subunit 13-like (MED13L) ELISA Kit
Artikelnummer	ASC-KTE61668
Hersteller Artikelnummer	KTE61668
Alternativnummer	ASC-KTE61668-48, ASC-KTE61668-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human

Anwendungsbeschreibung

This Human Mediator of RNA polymerase II transcription subunit 13-like (MED13L) ELISA Kit employs a two-site sandwich ELISA to quantitate MED13L in samples. An antibody specific for MED13L has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any MED13L present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for MED13L is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of MED13L bound in the initial step. The color development is stopped and the intensity of the color is measured.
