Human Mast cell tryptase (MCT) ELISA Kit ASC-KTE61687

Artikelname	Human Mast cell tryptase (MCT) ELISA Kit
Artikelnummer	ASC-KTE61687
Hersteller Artikelnummer	KTE61687
Alternativnummer	ASC-KTE61687-48, ASC-KTE61687-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human
Produktbeschreibung	This Human Mast cell tryptase (MCT) ELISA Kit employs a two-site sandwich ELISA to quantitate MCT....

Anwendungsbeschreibung

This Human Mast cell tryptase (MCT) ELISA Kit employs a two-site sandwich ELISA to quantitate MCT in samples. An antibody specific for MCT has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any MCT present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for MCT is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of MCT bound in the initial step. The color development is stopped and the intensity of the color is measured.
