## Product Datasheet

### Human Lysozyme C (LYZ) ELISA Kit ASC-KTE61762

Artikelname	Human Lysozyme C (LYZ) ELISA Kit
Artikelnummer	ASC-KTE61762
Hersteller Artikelnummer	KTE61762
Alternativnummer	ASC-KTE61762-48, ASC-KTE61762-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human

Anwendungsbeschreibung

This Human Lysozyme C (LYZ) ELISA Kit employs a two-site sandwich ELISA to quantitate LYZ in samples. An antibody specific for LYZ has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any LYZ present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for LYZ is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of LYZ bound in the initial step. The color development is stopped and the intensity of the color is measured.
