### Human Phosphatidate phosphatase LPIN1 (LPIN1) ELISA Kit ASC-KTE61788

Artikelname	Human Phosphatidate phosphatase LPIN1 (LPIN1) ELISA Kit
Artikelnummer	ASC-KTE61788
Hersteller Artikelnummer	KTE61788
Alternativnummer	ASC-KTE61788-48, ASC-KTE61788-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human

Anwendungsbeschreibung

This Human Phosphatidate phosphatase LPIN1 (LPIN1) ELISA Kit employs a two-site sandwich ELISA to quantitate LPIN1 in samples. An antibody specific for LPIN1 has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any LPIN1 present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for LPIN1 is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of LPIN1 bound in the initial step. The color development is stopped and the intensity of the color is measured.
