Human Lactate dehydrogenase A (LDHA) ELISA Kit ASC-KTE61842

Artikelname	Human Lactate dehydrogenase A (LDHA) ELISA Kit
Artikelnummer	ASC-KTE61842
Hersteller Artikelnummer	KTE61842
Alternativnummer	ASC-KTE61842-48, ASC-KTE61842-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human
Produktbeschreibung	This Human Lactate dehydrogenase A (LDHA) ELISA Kit employs a two-site sandwich ELISA to quantitate LDHA....

Proben	Cell culture supernatantsSerumPlasmaOther biological fluids

Anwendungsbeschreibung

This Human Lactate dehydrogenase A (LDHA) ELISA Kit employs a two-site sandwich ELISA to quantitate LDHA in samples. An antibody specific for LDHA has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any LDHA present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for LDHA is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of LDHA bound in the initial step. The color development is stopped and the intensity of the color is measured.
