Mouse Tubulointerstitial nephritis antigen-like (TINAGL1) ELISA Kit ASC-KTE70225

Artikelname	Mouse Tubulointerstitial nephritis antigen-like (TINAGL1) ELISA Kit
Artikelnummer	ASC-KTE70225
Hersteller Artikelnummer	KTE70225
Alternativnummer	ASC-KTE70225-48, ASC-KTE70225-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Mouse

Anwendungsbeschreibung

This Mouse Tubulointerstitial nephritis antigen-like (TINAGL1) ELISA Kit employs a two-site sandwich ELISA to quantitate TINAGL1 in samples. An antibody specific for TINAGL1 has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any TINAGL1 present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for TINAGL1 is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of TINAGL1 bound in the initial step. The color development is stopped and the intensity of the color is measured.
