Vibriocholerae Toxin B Protein ASC-PRP3005

Artikelname	Vibriocholerae Toxin B Protein
Artikelnummer	ASC-PRP3005
Hersteller Artikelnummer	PRP3005
Alternativnummer	ASC-PRP3005-5, ASC-PRP3005-20, ASC-PRP3005-100, ASC-PRP3005-1
Hersteller	Abbkine Scientific
Kategorie	Proteine/Peptide
Produktbeschreibung	Cholera toxin (CT) is an AB5 enterotoxin produced by Vibrio cholerae and is responsible for the disease manifestations. Several publications indicate that the toxin binds to glycoprotein and that the B-chain binds to GM1 ganglioside pentasaccharide o...
Molekulargewicht	11.6 kDa
Tag	Toxin B
NCBI	1789667
UniProt	P01556
Reinheit	> 98 % as determined by SDS-PAGE
Formulierung	Liquid in from sterile 50 mM Tris-HCl, 200 mM NaCl, 10% glycerol, pH8.0
Sequenz	Amino acid sequence derived from Vibriocholerae Toxin B (Thr22-Asn124)(P01556) was expressed.
