## Product Datasheet

### **Monoclonal Antibody to IL-17F (Clone: ABM2H17), Clone: [ABM2H17], Mouse ABI-10-4009-25**

|                          |                                                                                     |
|--------------------------|-------------------------------------------------------------------------------------|
| Artikelname              | Monoclonal Antibody to IL-17F (Clone: ABM2H17), Clone: [ABM2H17], Mouse             |
| Artikelnummer            | ABI-10-4009-25                                                                      |
| Hersteller Artikelnummer | 10-4009-25                                                                          |
| Alternativnummer         | ABI-10-4009-25-25UG                                                                 |
| Hersteller               | Abeomics                                                                            |
| Wirt                     | Mouse                                                                               |
| Kategorie                | Antikörper                                                                          |
| Applikation              | WB                                                                                  |
| Spezies Reaktivität      | Human                                                                               |
| Immunogen                | Full length recombinant IL-17F protein was used as the immunogen for this antibody. |
| Klonalität               | Monoclonal                                                                          |
| Klon-Bezeichnung         | [ABM2H17]                                                                           |
| NCBI                     | <a href="#">112744</a>                                                              |
| UniProt                  | <a href="#">Q96PD4</a>                                                              |
| Reinheit                 | Protein G Chromatography                                                            |
| Formulierung             | Purified                                                                            |

|                        |                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | IL-17F                                                                                                       |
| Application Verdünnung | Recommended dilutions: WB: 6-8 µg/ml. However, this need to be optimized based on the research applications. |
