| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, IF                                                                                                                                                                                                                                                     |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Human VEGF189 recombinant protein                                                                                                                                                                                                                             |
| Produktbeschreibung      | This MAb recognizes proteins of 19-22kDa (reducing) and 38kDa-44kDa (non-reducing), identified as various isoforms of Vascular Endothelial Growth Factor or Vascular Permeability Factor (VEGF/VPF). It is highly specific to VEGF, which is a homodimeric... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [VG76e]                                                                                                                                                                                                                                                       |
| NCBI                     | <a href="#">7422</a>                                                                                                                                                                                                                                          |
| UniProt                  | <a href="#">P15692</a>                                                                                                                                                                                                                                        |

|                        |                                                                           |
|------------------------|---------------------------------------------------------------------------|
| Application Verdünnung | ELISA (For coating, order Ab without BSA), Immunofluorescence (1-2ug/ml), |
