| Hersteller               | Abeomics                                                                                                                                                                                                                                                      |
| Wirt                     | Human                                                                                                                                                                                                                                                         |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Produktbeschreibung      | Molecular Characterization: ANXA1(Ala2-Asn346)6A-His tagMolecular weight: The protein has a predicted molecular mass of 39.4 kDa after removal of the signal peptide. The apparent molecular mass of ANXA1-His is approximately 35-40 kDa due to glycosyla... |
| UniProt                  | <a href="#">P04083</a>                                                                                                                                                                                                                                        |
| Target-Kategorie         | ANXA1                                                                                                                                                                                                                                                         |
| Antibody Type            | Recombinant Antibody                                                                                                                                                                                                                                          |
