| Kategorie                | Kits/Assays                                                                                                                                                                                                                                                   |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | This Human Heat Shock 27kDa Protein 1 (HSPB1) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma, tissue homogenates, cell lysates, cell culture supernatants and other biological fluids ... |
| Detektionsbereich        | 0.781-50ng/mL                                                                                                                                                                                                                                                 |
| Sensitivitaet            | 0.32ng/mL                                                                                                                                                                                                                                                     |
| Proben                   | serum, plasma, tissue homogenates, cell lysates, cell culture supernatants and other biological fluids                                                                                                                                                        |
| Target-Kategorie         | Human Heat Shock 27kDa Protein 1 (HSPB1)                                                                                                                                                                                                                      |
| Anwendungsbeschreibung   | Assay Length: 4.5 hours. Experimental Method: Sandwich                                                                                                                                                                                                        |
