| Kategorie                | Kits/Assays                                                                                                                                                                                                                                                   |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | This Human Protein Disulfide Isomerase A4 (PDIA4) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma, tissue homogenates and other biological fluids . This product is for Research Use On... |
| Detektionsbereich        | 1.56-100ng/mL                                                                                                                                                                                                                                                 |
| Sensitivitaet            | 0.66ng/mL                                                                                                                                                                                                                                                     |
| Proben                   | serum, plasma, tissue homogenates and other biological fluids                                                                                                                                                                                                 |
| Target-Kategorie         | Human Protein Disulfide Isomerase A4 (PDIA4)                                                                                                                                                                                                                  |
| Anwendungsbeschreibung   | Assay Length: 4.5 hours. Experimental Method: Sandwich                                                                                                                                                                                                        |
