| Alternativnummer         | RDD-RD-PECAM1-MU-96,RDD-RD-PECAM1-MU-48                                                                                                                                                                                 |
| Hersteller               | reddot Biotech                                                                                                                                                                                                          |
| Kategorie                | Kits/Assays                                                                                                                                                                                                             |
| Applikation              | ELISA                                                                                                                                                                                                                   |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                   |
| Produktbeschreibung      | This Mouse Platelet/Endothelial Cell Adhesion Molecule (PECAM1) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in plasma . This product is for Research Use Only.... |
| Detektionsbereich        | 15.625-1000pg/mL                                                                                                                                                                                                        |
| Sensitivitaet            | 6.5pg/mL                                                                                                                                                                                                                |
| Proben                   | plasma                                                                                                                                                                                                                  |
| Target-Kategorie         | Mouse Platelet/Endothelial Cell Adhesion Molecule (PECAM1)                                                                                                                                                              |
| Anwendungsbeschreibung   | Assay Length: 4.5 hours. Experimental Method: Sandwich                                                                                                                                                                  |
