| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | This Human Potassium Inwardly Rectifying Channel Subfamily J, Member 5 (KCNJ5) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in tissue homogenates and other biological fluids . This product is for R... |
| Detektionsbereich        | 0.156-10ng/mL                                                                                                                                                                                                                                                 |
| Sensitivitaet            | 0.066ng/mL                                                                                                                                                                                                                                                    |
| Proben                   | tissue homogenates and other biological fluids                                                                                                                                                                                                                |
| Target-Kategorie         | Human Potassium Inwardly Rectifying Channel Subfamily J, Member 5 (KCNJ5)                                                                                                                                                                                     |
| Anwendungsbeschreibung   | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                                          |
