| Kategorie                | Kits/Assays                                                                                                                                                                                                                                        |
| Applikation              | ELISA                                                                                                                                                                                                                                              |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                                              |
| Produktbeschreibung      | This Mouse Matrix Gla Protein (MGP) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma, tissue homogenates and other biological fluids . This product is for Research Use Only.... |
| Detektionsbereich        | 78.1-5000pg/mL                                                                                                                                                                                                                                     |
| Sensitivitaet            | 33pg/mL                                                                                                                                                                                                                                            |
| Proben                   | serum, plasma, tissue homogenates and other biological fluids                                                                                                                                                                                      |
| Target-Kategorie         | Mouse Matrix Gla Protein (MGP)                                                                                                                                                                                                                     |
| Anwendungsbeschreibung   | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                               |
