| Artikelname              | Histone H3 (di methyl K4) Rabbit mAb, Unconjugated, Monoclonal                                                                     |
| Artikelnummer            | RDD-RDSA66525                                                                                                                      |
| Hersteller Artikelnummer | RDSA66525                                                                                                                          |
| Alternativnummer         | RDD-RDSA66525-100                                                                                                                  |
| Hersteller               | reddot Biotech                                                                                                                     |
| Wirt                     | Rabbit                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                         |
| Applikation              | ChIP, FC, ICC, IHC, IP, WB                                                                                                         |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                  |
| Immunogen                | A synthesized peptide derived from human Methyl-Histone H3 (di K4)                                                                 |
| Konjugation              | Unconjugated                                                                                                                       |
| Produktbeschreibung      | This is a Histone H3 (di methyl K4) Rabbit mAb Recombinant Antibody from Reddot Biotech. This product is for Research Use Only.... |
| Klonalität               | Monoclonal                                                                                                                         |
| Puffer                   | Phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.                                                |
| Antibody Type            | Recombinant Antibody                                                                                                               |
