## Product Datasheet

### Mouse IL-1 beta, Clone: [PSH03-31], Unconjugated, Rabbit, Monoclonal HBO-HA721976

|                          |                                                                      |
|--------------------------|----------------------------------------------------------------------|
| Artikelname              | Mouse IL-1 beta, Clone: [PSH03-31], Unconjugated, Rabbit, Monoclonal |
| Artikelnummer            | HBO-HA721976                                                         |
| Hersteller Artikelnummer | HA721976                                                             |
| Alternativnummer         | HBO-HA721976                                                         |
| Hersteller               | HUABIO                                                               |
| Wirt                     | Rabbit                                                               |
| Kategorie                | Antikörper                                                           |
| Applikation              | ELISA                                                                |
| Spezies Reaktivität      | Mouse                                                                |
| Immunogen                | Recombinant protein within Mouse IL-1 beta aa 118-269 (P10749).      |
| Konjugation              | Unconjugated                                                         |
| Klonalität               | Monoclonal                                                           |
| Konzentration            | 1 mg/ml                                                              |
| Klon-Bezeichnung         | [PSH03-31]                                                           |
| Molekulargewicht         | Predicted band size: 30.9 kDa                                        |
| UniProt                  | <a href="#">P10749</a>                                               |
| Puffer                   | PBS (pH7.4).                                                         |

|                        |                                                                                                                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Protein A affinity purified.                                                                                                                                                                                                                                    |
| Formulierung           | Liquid                                                                                                                                                                                                                                                          |
| Application Verdünnung | ELISA(Cap): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH03-32] to Mouse IL1 beta (Dctector) (HA721977) and recombinant standard Mouse IL1 beta protein (HA210706) as the standard. The reference range |
