## Product Datasheet

### Human GDF-15, Clone: [PSH16-02], Unconjugated, Rabbit, Monoclonal HBO-HA723807

|                          |                                                                   |
|--------------------------|-------------------------------------------------------------------|
| Artikelname              | Human GDF-15, Clone: [PSH16-02], Unconjugated, Rabbit, Monoclonal |
| Artikelnummer            | HBO-HA723807                                                      |
| Hersteller Artikelnummer | HA723807                                                          |
| Alternativnummer         | HBO-HA723807                                                      |
| Hersteller               | HUABIO                                                            |
| Wirt                     | Rabbit                                                            |
| Kategorie                | Antikörper                                                        |
| Applikation              | ELISA                                                             |
| Spezies Reaktivität      | Human                                                             |
| Immunogen                | Recombinant protein within Human GDF15 aa 195-308.                |
| Konjugation              | Unconjugated                                                      |
| Klonalität               | Monoclonal                                                        |
| Konzentration            | 1 mg/mL.                                                          |
| Klon-Bezeichnung         | [PSH16-02]                                                        |
| UniProt                  | <a href="#">Q99988</a>                                            |
| Puffer                   | PBS (pH7.4).                                                      |
| Reinheit                 | Protein A affinity purified.                                      |

|                        |                                                                                                                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                                                                                                          |
| Application Verdünnung | ELISA(Det): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH16-00] to Human GDF-15 antibody (Capture) (HA723805) and Recombinant Human GDF-15 protein as the standard. The reference range value is 11.7-3 |
