## Product Datasheet

### Human CCL20/MIP-3 alpha, Clone: [PSH12-32], Unconjugated, Rabbit, Monoclonal HBO-HA725010

|                          |                                                                              |
|--------------------------|------------------------------------------------------------------------------|
| Artikelname              | Human CCL20/MIP-3 alpha, Clone: [PSH12-32], Unconjugated, Rabbit, Monoclonal |
| Artikelnummer            | HBO-HA725010                                                                 |
| Hersteller Artikelnummer | HA725010                                                                     |
| Alternativnummer         | HBO-HA725010                                                                 |
| Hersteller               | HUABIO                                                                       |
| Wirt                     | Rabbit                                                                       |
| Kategorie                | Antikörper                                                                   |
| Applikation              | ELISA                                                                        |
| Spezies Reaktivität      | Human                                                                        |
| Immunogen                | Recombinant protein within Human CCL20/MIP-3 alpha aa 27-96 (HA211012).      |
| Konjugation              | Unconjugated                                                                 |
| Klonalität               | Monoclonal                                                                   |
| Konzentration            | 1 mg/mL.                                                                     |
| Klon-Bezeichnung         | [PSH12-32]                                                                   |
| UniProt                  | <a href="#">P78556</a>                                                       |
| Puffer                   | PBS (pH7.4).                                                                 |

|                        |                                                                                                                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Protein A affinity purified.                                                                                                                                                                                                                                    |
| Formulierung           | Liquid                                                                                                                                                                                                                                                          |
| Application Verdünnung | ELISA(Cap): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH12-33] to Human CCL20/MIP-3 alpha antibody (Detector) (HA725011) and Recombinant Human CCL20/MIP-3 alpha protein (HA211012) as the standard. T |
