## Product Datasheet

### Human VCAM-1, Clone: [PSH12-47], HRP, Rabbit, Monoclonal HBO-HA725066H

|                          |                                                               |
|--------------------------|---------------------------------------------------------------|
| Artikelname              | Human VCAM-1, Clone: [PSH12-47], HRP, Rabbit, Monoclonal      |
| Artikelnummer            | HBO-HA725066H                                                 |
| Hersteller Artikelnummer | HA725066H                                                     |
| Alternativnummer         | HBO-HA725066H                                                 |
| Hersteller               | HUABIO                                                        |
| Wirt                     | Rabbit                                                        |
| Kategorie                | Antikörper                                                    |
| Applikation              | ELISA                                                         |
| Spezies Reaktivität      | Human                                                         |
| Immunogen                | Recombinant protein within Human VCAM-1 aa 25-698 (HA210976). |
| Konjugation              | HRP                                                           |
| Klonalität               | Monoclonal                                                    |
| Konzentration            | 1 mg/mL.                                                      |
| Klon-Bezeichnung         | [PSH12-47]                                                    |
| UniProt                  | <a href="#">P19320</a>                                        |
| Puffer                   | PBS (pH7.4), 0.1% BSA, 40% Glycerol.                          |
| Reinheit                 | Protein A affinity purified.                                  |
| Formulierung             | Liquid                                                        |

|                        |                                                                                                                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | ELISA(Det): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH12-46] to Human VCAM-1 antibody (Capture) (HA725064) and Recombinant Human VCAM-1 protein (HA210976) as the standard. The reference range valu |
