| Hersteller               | EnkiLife                                                                                                                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                                                                                  |
| Applikation              | ICC, IHC, WB                                                                                                                                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                       |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                |
| Produktbeschreibung      | Receptor for retinoic acid. Retinoic acid receptors bind as heterodimers to their target response elements in response to their ligands, all-trans or 9-cis retinoic acid, and regulate gene expression in various biological processes.... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                  |
| Molekulargewicht         | Calculated MW: 50 kDa, Observed MW: 55 kDa                                                                                                                                                                                                  |
