## Product Datasheet

### **USP15 (Ubiquitin-specific-processing Protease 15, Ubiquitin Carboxyl-terminal Hydrolase 15, Deubiquitinating Enzyme 15, Ubiquitin Thioesterase 15, Unph-2, Unph4, KIAA0529) (MaxLight 490), Clone: [1C10], Mouse, Monoclonal USB-135152-ML490**

|                          |                                                                                                                                                                                                                                                               |

| Alternativnummer         | USB-135152-ML490-100                                                                                                                                                                                                                                          |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | FLISA, IF, WB                                                                                                                                                                                                                                                 |
| Immunogen                | Full length protein corresponding to aa1-235 from USP15 (AAH20688) with GST tag. MW of the GST tag alone is 26kD.                                                                                                                                             |
| Produktbeschreibung      | MaxLight(TM)490 is a new Blue-Green photostable dye conjugate comparable to DyLight(TM)488, Alexa Fluor(TM)488 and offers better labeling efficiency, brighter imaging and increased immunodetection. Absorbance (491nm), Emission (515nm), Extinction Coe... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |

|                  |                                                                                           |
|------------------|-------------------------------------------------------------------------------------------|
| Klon-Bezeichnung | [1C10]                                                                                    |
| NCBI             | <a href="#">020688</a>                                                                    |
| Reinheit         | Purified by Protein A affinity chromatography.                                            |
| Formulierung     | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with MaxLight(TM)490. |
