| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | FLISA, IHC, WB                                                                                                                                                                                                                                                |
| Immunogen                | COASY (NP_079509, 461aa-564aa) partial recombinant protein with GST tag. MW of the GST tag alone is 26kD.                                                                                                                                                     |
| Produktbeschreibung      | MaxLight(TM)650 is a new Far-IR stable dye conjugate comparable to Alexa Fluor(TM)647, DyLight(TM)649, Cy5(TM) and offers better labeling efficiency, brighter imaging and increased immunodetection. Absorbance (655nm), Emission (676nm), Extinction Coe... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [2A12]                                                                                                                                                                                                                                                        |
| NCBI                     | <a href="#">079509</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified                                                                                                                                                                                                                                                      |

|              |                                                                                           |
|--------------|-------------------------------------------------------------------------------------------|
| Formulierung | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with MaxLight(TM)650. |
