| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Kategorie                | Molekularbiologie                                                                                                                                                                                                                                             |
| Produktbeschreibung      | TDP2 is a member of a superfamily of divalent cation-dependent phosphodiesterases. This protein has sequence and structural similarities with APE1 endonuclease, which is involved in both DNA repair and the activation of transcription factors. Vector ... |
| NCBI                     | <a href="#">057698</a>                                                                                                                                                                                                                                        |
| Formulierung             | Supplied as a lyophilized powder.                                                                                                                                                                                                                             |
