| Alternativnummer         | USB-579571-50, USB-579571-100                                                                                                                                                                                                                                 |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                | Synthetic peptide corresponding to the Internal region of human CD269.                                                                                                                                                                                        |
| Produktbeschreibung      | Receptor for TNFSF13B/BLyS/BAFF and TNFSF13/APRIL. Promotes B-cell survival and plays a role in the regulation of humoral immunity. Activates NF-kappa-B and JNK. Applications: Suitable for use in Western Blot and ELISA. Other applications not tested.... |
| UniProt                  | <a href="#">Q02223</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                    |
| Formulierung             | Supplied as a liquid in PBS, 0.5% BSA, 0.02% sodium azide, 50% glycerol.                                                                                                                                                                                      |
