| Alternativnummer         | USB-C2097-77F-200                                                                                                                                                                                                                                             |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Immunogen                | Synthetic peptide corresponding to aa34-57 of human Cathepsin S.                                                                                                                                                                                              |
| Produktbeschreibung      | Cathepsin S is a cysteine proteinase that is reported to be involved in antigen presentation and may play a role in tumor progression. Applications: Suitable for use in ELISA. Other applications not tested. Recommended Dilutions: ELISA: 1:1600 (0.625... |
| Reinheit                 | Purified by Protein A affinity chromatography                                                                                                                                                                                                                 |
| Formulierung             | Supplied as a lyophilized powder from PBS. Reconstitute with 200ul sterile ddH2O.                                                                                                                                                                             |
