| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Immunogen                | Purified human Factor XII.                                                                                                                                                                                                                                    |
| Produktbeschreibung      | Human Factor XII (XII) (Hageman Factor) is a single chain (78kD) glycoprotein zymogen that circulates in plasma at a concentration of 40 mg/ml. Reciprocal activation of XII to the active serine protease factor XIIa (XIIa) by kallikrein is central to ... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [1.B.694]                                                                                                                                                                                                                                                     |
| Isotyp                   | IgG1                                                                                                                                                                                                                                                          |
| Reinheit                 | Purified by Protein G affinity chromatography from ascites.                                                                                                                                                                                                   |
| Formulierung             | Supplied as a liquid in PBS, pH 7.4. No preservative added.                                                                                                                                                                                                   |
