Cholesteryl Palmitoleate, CAS [[16711-66-3]] TGM-T85217

| | |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname | Cholesteryl Palmitoleate, CAS [[16711-66-3]] |
| Artikelnummer | TGM-T85217 |
| Hersteller Artikelnummer | T85217 |
| Alternativnummer | TGM-T85217-1MG,TGM-T85217-5MG,TGM-T85217-10MG,TGM-T85217-25MG,TGM-T85217-50MG,TGM-T85217-100MG |
| Hersteller | TargetMol |
| Kategorie | Biochemikalien |
| Produktbeschreibung | Cholesteryl palmitoleate, a cholesterol ester, exhibits elevated plasma levels in ApoE-/- mice following exposure to cigarette smoke and in pediatric patients diagnosed with biliary atresia. It serves as a standard for identifying cholesterol esters ... |
| Molekulargewicht | 623.1 |
| CAS Nummer | [16711-66-3] |
| Formel | C43H74O2 |
| Target-Kategorie | Others Endogenous Metabolite |
