| Hersteller Artikelnummer | 554972                                                                                                                                                                                                                                                        |
| Alternativnummer         | USB-554972-50,USB-554972-100                                                                                                                                                                                                                                  |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, IF, IHC                                                                                                                                                                                                                                                |
| Immunogen                | Recombinant protein corresponding to aa2-149 from human Arachidonate 5-lipoxygenase protein.                                                                                                                                                                  |
| Produktbeschreibung      | Catalyzes the first step in leukotriene biosynthesis, and thereby plays a role in inflammatory processes. Applications: Suitable for use in ELISA, Immunohistochemistry and Immunofluorescence. Other applications not tested. Recommended Dilution: Immun... |
| UniProt                  | <a href="#">P09917</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by Protein G affinity chromatography.                                                                                                                                                                                                                |
| Formulierung             | Supplied as a liquid in 0.01M PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol.                                                                                                                                                                                   |
