| Hersteller Artikelnummer | 574172                                                                                                                                                                                                                                                        |
| Alternativnummer         | USB-574172-50, USB-574172-100                                                                                                                                                                                                                                 |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant protein corresponding to aa274-408A from human cell cycle checkpoint control protein RAD9B.                                                                                                                                                       |
| Produktbeschreibung      | Applications: Suitable for use in ELISA. Other applications not tested. Recommended Dilution: Optimal dilutions to be determined by the researcher. Storage and Stability: Store product at 4C if to be used immediately within two weeks. For long-term s... |
| UniProt                  | <a href="#">Q6WBX8</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by Protein G affinity chromatography.                                                                                                                                                                                                                |
| Formulierung             | Supplied as a liquid in 0.01M PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol. Labeled with Biotin.                                                                                                                                                              |
