## Product Datasheet

**OBFC1 (STN1, CST Complex Subunit STN1, Oligonucleotide/Oligosaccharide-binding Fold-containing Protein 1, Suppressor of cdc Thirteen Homolog, FLJ22559, RP11-541N10.2, RPA-32, BA541N10.2, AAF44, AAF-44, bA541N10.2) (APC), Rabbit USB-130679-APC**

|                          |                                                                                                                                                                                                                                                               |

| Alternativnummer         | USB-130679-APC-100                                                                                                                                                                                                                                            |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Immunogen                | Full length human OBFC1, aa1-368 (NP_079204.1).                                                                                                                                                                                                               |
| Produktbeschreibung      | Component of the CST complex, a complex that binds to single-stranded DNA and is required to protect telomeres from DNA degradation. The CST complex binds single-stranded DNA with high affinity in a sequence-independent manner, while isolated subunit... |
| NCBI                     | <a href="#">024928</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by Protein A affinity chromatography.                                                                                                                                                                                                                |

|              |                                                                          |
|--------------|--------------------------------------------------------------------------|
| Formulierung | Supplied as a liquid in PBS, pH 7.2. Labeled with Allophycocyanin (APC). |
