| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Kategorie                | Molekularbiologie                                                                                                                                                                                                                                             |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | Control Peptide for 150439. Source: Synthetic peptide corresponding to 14aa from near the N-terminus of the C-Terminus of human FOXP4. Applications: Suitable for use in ELISA and Antibody Blocking. Other applications not tested. Recommended Dilution:... |
| Reinheit                 | Purified                                                                                                                                                                                                                                                      |
| Formulierung             | Supplied as a lyophilized powder. Reconstitute with 200ul sterile dH2O.                                                                                                                                                                                       |
