| Alternativnummer         | USB-A0004-11A-100                                                                                                                                                                                                                                             |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Kategorie                | Molekularbiologie                                                                                                                                                                                                                                             |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | The ATP binding cassette (ABC) superfamily of membrane transporters is one of the largest protein classes known, and counts for numerous proteins involved in trafficking of biological molecules across membranes, host-defense mechanism to xenobiotics.... |
| Reinheit                 | Purified by HPLC.                                                                                                                                                                                                                                             |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2, 0.09% sodium azide.                                                                                                                                                                                                      |
