| Alternativnummer         | USB-S7975-65-100                                                                                                                                                                                                                                              |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Kategorie                | Molekularbiologie                                                                                                                                                                                                                                             |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Produktbeschreibung      | SF20/25, originally identified as a product of bone marrow-derived stromal cells, was previously thought to support proliferation of lymphoid cells and was designated as interleukin. However, this activity has not been reproducible and the function o... |
| Molekulargewicht         | 18                                                                                                                                                                                                                                                            |
| NCBI                     | <a href="#">061980</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified: 95% by SDS-PAGE.                                                                                                                                                                                                                                    |
| Formulierung             | Supplied as a liquid in 20mm Tris-HCl buffer, pH 8.0, 20% glycerol.                                                                                                                                                                                           |
