| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, IF                                                                                                                                                                                                                                                     |
| Immunogen                | Recombinant protein corresponding to a portion within aa1-510 of human ZNFN1A3. UniProt Accession: Q9UKT9                                                                                                                                                     |
| Produktbeschreibung      | This gene encodes a member of the Ikaros family of zinc-finger proteins. Three members of this protein family (Ikaros, Aiolos and Helios) are hematopoietic-specific transcription factors involved in the regulation of lymphocyte development. This gene... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [10B2563]                                                                                                                                                                                                                                                     |
| Isotyp                   | IgG2b                                                                                                                                                                                                                                                         |

|              |                                                                          |
