| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IF, WB                                                                                                                                                                                                                                                        |
| Immunogen                | Synthetic peptide corresponding to the C-terminal region of human or canine ZO-2.                                                                                                                                                                             |
| Produktbeschreibung      | Tight junctions are intercellular junctions that act as both the barrier (or gate), and the fence. The barrier function of tight junctions regulates the passage of ions, water, and various macromolecules through paracellular spaces. The fence functio... |
| Reinheit                 | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                    |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservatives added. Labeled with MaxLight(TM)550.                                                                                                                                                                    |
