| Hersteller               | Boster Bio                                                                                                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                   |
| Applikation              | FC, ICC, IF, WB                                                                                                                                                                                                                                              |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                            |
| Immunogen                | A synthetic peptide corresponding to a sequence in the middle region of human P Glycoprotein, which shares 62.9% amino acid (aa) sequence identity with rat P Glycoprotein.                                                                                  |
| Produktbeschreibung      | Boster Bio Anti-P Glycoprotein/ABCB1 Antibody Picoband catalog A00049-1. Tested in Flow Cytometry, IF, ICC, WB applications. This antibody reacts with Human, Mouse, Rat. The brand Picoband indicates this is a premium antibody that guarantees superio... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molekulargewicht         | Observed Molecular Weight: 160 kDa. Calculated Molecular Weight: 25283 MW                                                                                                                                                                                    |

|                        |                                                                                                                                    |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">5243</a>                                                                                                               |
| UniProt                | <a href="#">P08183</a>                                                                                                             |
| Puffer                 | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg NaN <sub>3</sub> .                   |
| Reinheit               | Immunogen affinity purified.                                                                                                       |
| Formulierung           | Lyophilized                                                                                                                        |
| Target-Kategorie       | ATP-dependent translocase ABCB1                                                                                                    |
| Application Verdünnung | Western blot, 0.1-0.5µg/ml<br>Immunocytochemistry/Immunofluorescence, 2µg/ml Flow Cytometry (Fixed), 1-3µg/1x10 <sup>6</sup> cells |
