## Product Datasheet

### **Potassium Intermediate/Small Conductance Calcium-Activated Channel, Subfamily N, Member 4 (KCNN4) Antibody, Unconjugated, Rabbit, Polyclonal ABX001608**

|                          |                                                                                                                                              |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Potassium Intermediate/Small Conductance Calcium-Activated Channel, Subfamily N, Member 4 (KCNN4) Antibody, Unconjugated, Rabbit, Polyclonal |
| Artikelnummer            | ABX001608                                                                                                                                    |
| Hersteller Artikelnummer | abx001608                                                                                                                                    |
| Alternativnummer         | ABX001608-20UL, ABX001608-100UL, ABX001608-2X100UL                                                                                           |
| Hersteller               | Abbexa                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                   |
| Applikation              | ELISA, WB                                                                                                                                    |
| Spezies Reaktivität      | Human                                                                                                                                        |
| Immunogen                | Recombinant protein corresponding to KCNN4. The exact sequence is proprietary.                                                               |
| Konjugation              | Unconjugated                                                                                                                                 |
| Klonalität               | Polyclonal                                                                                                                                   |
| Konzentration            | > 0.2 mg/ml                                                                                                                                  |
| Molekulargewicht         | Calculated MW: 48 kDa Observed MW: 53 kDa                                                                                                    |
| NCBI                     | <a href="#">3783</a>                                                                                                                         |

|                  |                                                                                                   |
|------------------|---------------------------------------------------------------------------------------------------|
| UniProt          | <a href="#">O15554</a>                                                                            |
| Puffer           | PBS, pH 7.3, containing 0.09% sodium azide, 50% glycerol.                                         |
| Formulierung     | Liquid                                                                                            |
| Target-Kategorie | Potassium Intermediate/Small Conductance Calcium-Activated Channel, Subfamily N, Member 4 (KCNN4) |
| Antibody Type    | Primary Antibody                                                                                  |
